MUHAMMAD UMAIR

Front End Developer

📞 0322-9629177 @ umairjabbarm@gmail.com 🔗 www.linkedin.com/in/umairjabbarfrontenddeveloper 📍 Sunny Park, Lahore

SUMMARY

Creative and detail-oriented Front-End Developer with proven expertise in HTML, CSS, JavaScript, and React. Skilled in developing responsive, accessible, and user-centric web interfaces aligned with modern design principles. Adept at translating UI/UX designs into high-performance, scalable applications with a focus on clean, maintainable code. Strong understanding of cross-browser compatibility, performance optimization, and responsive design. Committed to delivering high-quality solutions that enhance user experience and meet business objectives.

KEY ACHIEVEMENTS

💎 Enhanced Site Performance

Improved website loading speed by 35% through code optimization and efficient use of resources.

💎 Efficient Team Collaboration

Successfully collaborated projects, delivering on-time and within budget for all clients.

💎 High Satisfaction Rate

Built responsive interfaces, achieving a 90% client satisfaction rate in user experience surveys.

💎 Final Year Project Lead

Led the development of a full-featured Book Management System from start to finish.

EXPERIENCE

Front-End Developer

Agile Solutions

📅 07/2024 - 11/2024

- Developed and maintained responsive web applications to ensure a seamless user experience across devices
- Used HTML5, CSS, JavaScript, and React.js to build and enhance front-end features
- Collaborated with team members in an Agile environment to deliver clean, efficient, and well-documented code
- Assisted in debugging, testing, and optimizing web interfaces for performance and usability
